

MFPRSI PROPOSALS				
Proposals	Drafted (2007)	Description	Requestor	Comments
<i>Interim Committee proposals</i>				

<i>Funding proposals</i>				
Remove city contribution floor		Remove the 17% contribution floor for city contributions	Iowa League of Cites	Employee groups oppose
Establish equitable contribution system		Employee percentage should increase	Iowa League of Cites	Employee groups oppose
Renew full state contribution rate commitment	HF 823, Div. V	State should pay 3.79% contribution, not fixed dollar amount of around \$2.7 million (1.3%)	Rep. Wise. Iowa League of Cites, employee groups, MFPRSI support.	

<i>Benefit proposals</i>				
Maximum benefit		Increase % applied after 22 years of service from 66% to 74% with a max of 90%	Employee groups - wait until contribution rate can absorb cost or enact with delayed effective date.	League of Cities oppose any benefit increases
Escalator		Increase base multiplier from 1.5% to 2%	Employee groups - wait until contribution rate can absorb cost or enact with delayed effective date.	
Overtime		Include overtime in earnable compensation	Employee groups if cost not a significant factor	
Service connected presumption		Estsablish a presumption that disabilities or deaths due to cancer and infectious diseases are job related.	Iowa Professional Fire Fighters	
Doctor choice		Provide that employees have choice of doctor when injured on the job and in need of medical assistance.	Iowa Professional Fire Fighters	
Line of duty death benefit funding		Provide that the cost of the \$100,000 line of duty death benefit be paid from the state general fund and not the retirement fund.	Iowa Professional Fire Fighters
